### **STATEMENT OF FACTS**

Your affiant, William C. Borromeo, is employed as a Special Agent by the Federal Bureau of Investigation ("FBI"). Specifically, I am assigned to the San Antonio Division, Joint Terrorism Task Force, where I am currently tasked with investigating criminal activity in and around the United States Capitol grounds. As a Special Agent, I am authorized by law or by a government agency to engage in or supervise the prevention, detention, investigation, or prosecution of violations of Federal criminal laws.

The U.S. Capitol is secured 24 hours a day by U.S. Capitol Police. Restrictions around the U.S. Capitol include permanent and temporary security barriers and posts manned by U.S. Capitol Police. Only authorized people with appropriate identification were allowed access inside the U.S. Capitol. On January 6, 2021, the exterior plaza of the U.S. Capitol was also closed to members of the public.

On January 6, 2021, a joint session of the United States Congress convened at the United States Capitol, which is located at First Street, SE, in Washington, D.C. During the joint session, elected members of the United States House of Representatives and the United States Senate were meeting in separate chambers of the United States Capitol to certify the vote count of the Electoral College of the 2020 Presidential Election, which had taken place on November 3, 2020. The joint session began at approximately 1:00 p.m. Shortly thereafter, by approximately 1:30 p.m., the House and Senate adjourned to separate chambers to resolve a particular objection. Vice President Mike Pence was present and presiding, first in the joint session, and then in the Senate chamber.

As the proceedings continued in both the House and the Senate, and with Vice President Mike Pence present and presiding over the Senate, a large crowd gathered outside the U.S. Capitol. As noted above, temporary and permanent barricades were in place around the exterior of the U.S. Capitol building, and U.S. Capitol Police were present and attempting to keep the crowd away from the Capitol building and the proceedings underway inside.

At such time, the certification proceedings were still underway and the exterior doors and windows of the U.S. Capitol were locked or otherwise secured. Members of the U.S. Capitol Police attempted to maintain order and keep the crowd from entering the Capitol; however, shortly around 2:00 p.m., individuals in the crowd forced entry into the U.S. Capitol, including by breaking windows and by assaulting members of the U.S. Capitol Police, as others in the crowd encouraged and assisted those acts.

Shortly thereafter, at approximately 2:20 p.m. members of the United States House of Representatives and United States Senate, including the President of the Senate, Vice President Mike Pence, were instructed to—and did—evacuate the chambers. Accordingly, the joint session of the United States Congress was effectively suspended until shortly after 8:00 p.m. Vice President Pence remained in the United States Capitol from the time he was evacuated from the Senate Chamber until the sessions resumed.

During national news coverage of the aforementioned events, video footage which appeared to be captured on mobile devices of persons present on the scene depicted evidence of

violations of local and federal law, including scores of individuals inside the U.S. Capitol building without authority to be there.

Tipsters provided information identifying [REDACTED] as a participant in the U.S. Capitol Riot on January 6. The first tipster (Tipster 1) became aware of [REDACTED] when researching people connected to QAnon and became interested in [REDACTED] because the content of his posts was more combative than others' QAnon posts. Tipster 1 does not personally know [REDACTED] but had been routinely looking at [REDACTED] social media posts in the months leading up to January 6, 2021. Prior to the Riot, Tipster 1 saw [REDACTED] make numerous posts encouraging people to gather and attend events in Washington, D.C. on January 6, 2021. [REDACTED] also posted that he would be present. Tipster 1 further observed that [REDACTED] appeared to have deleted most or all of the posts he made about the Riot within 24 hours of the event.

A second tipster (Tipster 2) identified [REDACTED] while scrolling through photos released from the Capitol the weekend after the Riot. Tipster 2 knows [REDACTED] from childhood and indicated that he posts frequently about QAnon conspiracy theories on his Facebook page and his Parler account [REDACTED]

Video and photographs submitted to the FBI by other tipsters also show Elizabeth Rose Williams inside the Capitol Crypt, as discussed more below. Tipster 2 identified Williams as a [REDACTED]. Your Affiant has conducted a review of social media accounts, open source databases, driver's license information, and confirmed that Williams is [REDACTED]

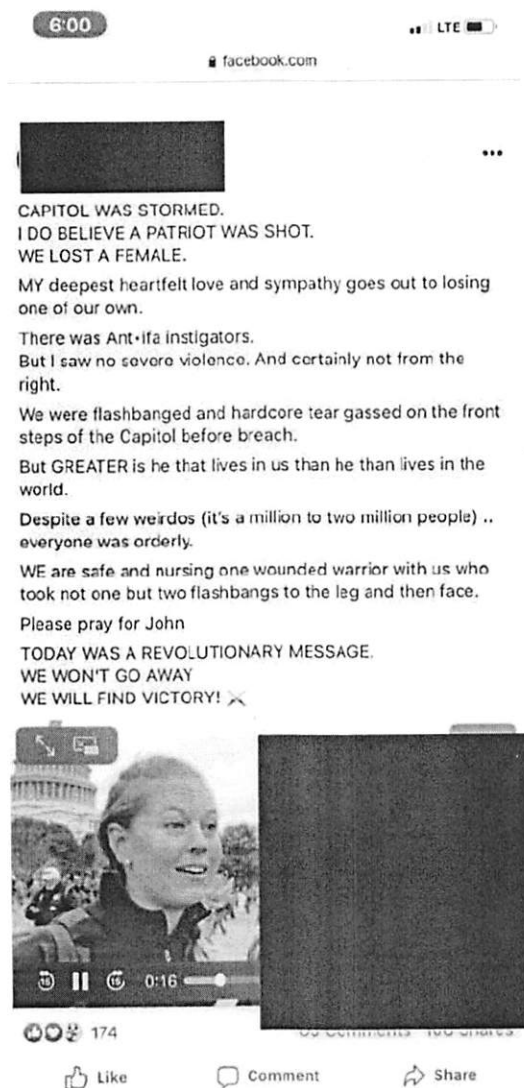

A third tipster (Tipster 3) also viewed a video and a post on [REDACTED] page showing that [REDACTED] was inside the Capitol during the January 6, 2021, breach. Tipster 3 was on a friend's Facebook page when he/she saw a post from [REDACTED] and decided to examine [REDACTED] Facebook page. There, Tipster 3 observed that [REDACTED] had posted a video of himself inside the U.S. Capitol, referenced "patriots [going] to war," and indicated that he had stormed the U.S. Capitol. Tipster 3 only knows [REDACTED] from a conference a couple of years ago, where [REDACTED] spoke.

*Facebook post screenshots provided by Tipster 3*

Tipster 3 also provided the following Facebook post that Tipster 3 observed on [REDACTED] page on January 6. Both [REDACTED] Williams are present outside of the U.S. Capitol, which is visible in the background:

A fourth tipster (Tipster 4) provided a link to a Twitter page which included three videos posted on January 13, 2021, under the title "IDENTIFIED: [REDACTED]." The videos appeared to have been copied from [REDACTED] page and show [REDACTED] Williams entering the U.S. Capitol, in the Capitol Crypt, and in the gallery of the Senate Chamber. It was unknown what Tipster 4's relationship to [REDACTED] was as the tip was made anonymously.

*Still shot from Facebook video provided by Tipster 4 showing Williams inside the U.S. Capitol*

The social media identifiers provided by the tipsters match current social media accounts reviewed by the FBI. Your Affiant reviewed photographs on social media accounts of [REDACTED] Williams and is of the opinion that they are the same individuals depicted in the video, which Tipster 4 directed the FBI to view, showing them inside the U.S. Capitol.

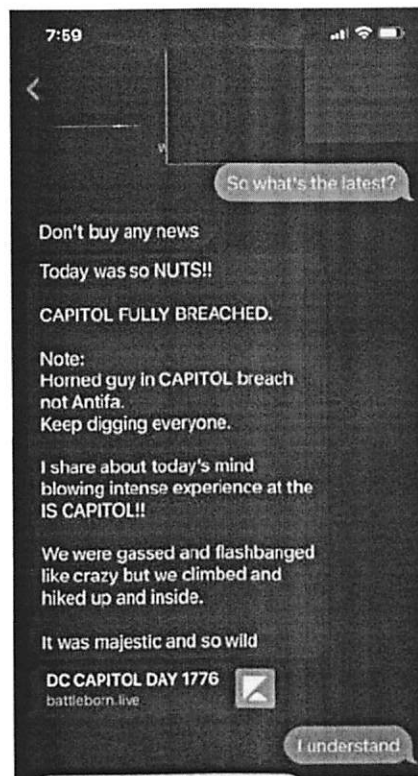

Law enforcement showed a Cooperating Individual (CI) the video and photos posted by [REDACTED] (no names shown). Your affiant has consulted with local law enforcement and is unaware of any statements or evidence that would tend to undermine the credibility of the CI. The CI is not being paid nor is he/she working off charges related to a criminal prosecution. Rather, the CI is merely providing information to law enforcement. The CI requested his/her identity be protected to the extent possible, but he/she is willing to testify. The CI has known

Williams for approximately 18 months and [REDACTED] for approximately four months. The CI stated that he/she is very familiar with [REDACTED] Williams through community functions. When shown a photo of the female in the still shots, the CI immediately stated, "That's Rosie," explaining the CI calls her "Rosie" but that her full name is Elizabeth Rose Williams. When shown a still shot of the male in the video, the CI immediately stated, "That's [REDACTED] The CI stated [REDACTED]. The CI stated, "100% it's [REDACTED] Rose" referring to the two individuals in the video. The CI recognized their appearances and the sounds of their voices in the video and still photos.

The CI also provided screenshots of a text message and photo received from [REDACTED] on January 6, 2021, along with screenshots of their phone numbers. The CI had Williams listed in CI's phone as "Elizabeth Rose" with phone number \*\*\*-\*\*\*-7495. [REDACTED] depicted below, further corroborates [REDACTED]

The photo that [REDACTED] sent the CI that same day shows Williams sitting in front the Lincoln Memorial in Washington, D.C., wearing a black coat, white gloves, a red knit hat, with a blonde braid down the left side of her face. The red knit hat, black coat, and braid are the same clothing items Williams is seen wearing inside the U.S. Capitol in the Facebook video:

Another Government Witness, a Texas Department of Public Safety (DPS) Driver's License examiner whose duties include verification of identities from photos and conducting both written and practical driving tests, was interviewed by FBI San Antonio Division the same day [REDACTED], accompanied by Williams, applied in person for a Texas Driver's license. This Government Witness confirmed [REDACTED] identity pursuant to [REDACTED] and Williams' identity as the registered owner of the vehicle [REDACTED] used for [REDACTED] driving exam. The Government Witness was shown the same video and still photos of [REDACTED] Williams inside of the U.S. Capitol building as the CI. The Government Witness identified [REDACTED] with 100% certainty and Williams with 85% certainty. The Government Witness stated the lower certainty regarding Williams was because the video and still photos looked exactly like Williams' driver's license photo but less like Williams in person. The Government Witness stated that during his/her interaction with [REDACTED] he was wearing the same cap he's wearing in the video and still photos from the U.S. Capitol Riot.

The following two images show [REDACTED] Williams inside the U.S. Capitol building. The FBI received these images from the public. Your affiant has compared the two images to the images and video clips provided by tipsters discussed in this Statement. The images of [REDACTED] and Williams are consistent. In the images below, Williams is no longer wearing the red hat and the sleeves of her black top are seen to be extended, with a thumb hole to act as fingerless gloves. The images with [REDACTED] Williams encircled are below:

United States Capitol Police security cameras captured images of [REDACTED] and Williams inside the U.S. Capitol building on January 6, 2021, during the Capitol Riot. Below are stills from the security cameras with [REDACTED] and Williams encircled:

Based on the foregoing, your affiant submits that there is probable cause to believe that [REDACTED] Williams violated 18 U.S.C. § 1752(a)(1), and (2), which makes it a crime to (1)

knowingly enter or remain in any restricted building or grounds without lawful authority to do; and (2) knowingly, and with intent to impede or disrupt the orderly conduct of Government business or official functions, engage in disorderly or disruptive conduct in, or within such proximity to, any restricted building or grounds when, or so that, such conduct, in fact, impedes or disrupts the orderly conduct of Government business or official functions. For purposes of Section 1752 of Title 18, a "restricted building" includes a posted, cordoned off, or otherwise restricted area of a building or grounds where the President or other person protected by the Secret Service, including the Vice President, is or will be temporarily visiting; or any building or grounds so restricted in conjunction with an event designated as a special event of national significance.

Your affiant submits there is also probable cause to believe that [REDACTED] Williams violated 40 U.S.C. § 5104(e)(2)(D) and § 5104(e)(2)(G), which makes it a crime to willfully and knowingly (D) utter loud, threatening, or abusive language, or engage in disorderly or disruptive conduct, at any place in the Grounds or in any of the Capitol Buildings with the intent to impede, disrupt, or disturb the orderly conduct of a session of Congress or either House of Congress, or the orderly conduct in that building of a hearing before, or any deliberations of, a committee of Congress or either House of Congress; and (G) parade, demonstrate, or picket in any of the Capitol Buildings.

Your affiant submits there is also probable cause to believe that [REDACTED] violated 40 U.S.C. § 5104(e)(2)(B), which makes it a crime to willfully and knowingly enter or remain in the gallery of either House of Congress in violation of rules governing admission to the gallery adopted by that House or pursuant to an authorization given by that House.

Finally, your affiant submits there is probable cause to believe that [REDACTED] violated 18 U.S.C. § 1512(c)(2), which makes it a crime to corruptly obstruct, influence, or impede any official proceeding, or attempt to do so. Under 18 U.S.C. § 1515, congressional proceedings are official proceedings.
